what do  
we know  
about the  
iGeneration?

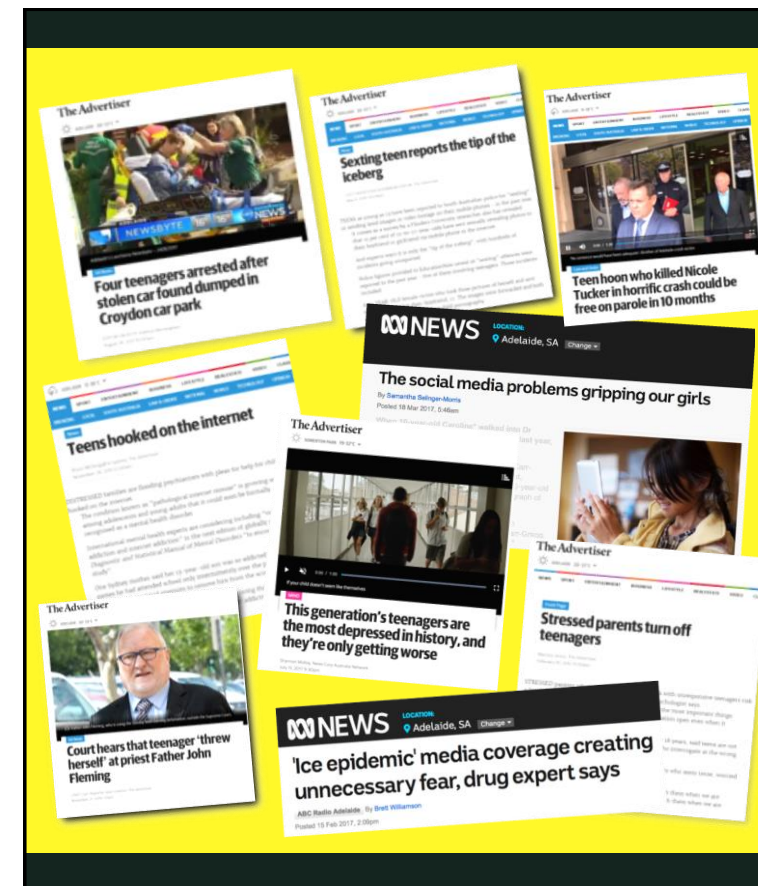

*“Young people – especially my generation – have one of the strongest desires for justice and equity. This has been massively impacted by the global access with social media. I think we need to continue to push this desire”.*  
*(Female, Adelaide)*

**what is the  
world our  
children and  
young people  
live in?**

what adults

**SAY  
ABOUT**

children  
& young people

what young  
people hear  
about  
themselves  
from the  
media

WHAT I HAVE  
**HEARD**  
&  
OBSERVED

## what will the iGeneration want in the workplace?

*"I think that it is important for more jobs to be available to young people and for the work place to be an environment where individuals feel respected." (Adelaide)*

WHAT WILL THEY NEED TO **SUCCEED**?

# how do we best prepare our children & young people

*"I think it'd be invaluable to provide more support of young people in relation to finding work, maintaining a job and their legal rights as a young person working." (Adelaide)*

**THANK YOU.**
